### **FEBA RADIO SOUTH AFRICA (FEBA)**

with our partner FEBC (Far East Broadcasting Company) is an international Christian missions organisation which broadcasts the Gospel of Jesus Christ to the least-reached nations on earth.

Our mission is to broadcast the Gospel of Jesus Christ to people around the world isolated by economic, educational, geographic, political and religious barriers. Many of these "forgotten people" of society are located in countries with tremendous political and cultural opposition to the Gospel and therefore have limited access to Christian resources.

### **Radio is effective!**

Radio is also one of the most cost effective ways to take the Gospel to the ends of the earth. It can reach millions of people at the same time, even those who live in rural or isolated places. Many believers who live in closed countries around the world are strengthened and encouraged when they tune their radios to FEBA's programs, which are specially designed to bring words of hope to the persecuted.

### **Radio brings Hope!**

FEBA/FEBC broadcasts the Good News in 60 countries in 130 languages. The majority of our programs are made by ethnic Christians in the countries to which we broadcast.

### **Our listeners respond!**

We receive an average 2 million listener responses per year! These responses come in different forms, like phone calls, emails, letters, sms's and even personal visits. Here are a few snippets from listeners' letters:

From Yemen:

"I am lonely here. I have only Jesus to encourage me. There are no Churches I can go to. Please send me a Bible. Do not send it as a whole, but in pieces otherwise the security police will confiscate it."

From Ethiopia:

"Your programs are such a blessing to me. I am a living witness to the fact that many people not only listen to your programs, but also receive spiritual food from it."

From Central Asia:

"One night, while I was searching for BBC on my radio I came across a language that fell sweetly upon my ears – Hazaragi! Since then I have been so excited and do not miss any of your programs. Now I know the Truth and I am a new person."

From Sout-East Asia:

"I was very excited when I received the wind-up radio from your ministry. Thank you for giving me the means to listen to your program. Because of this, every day we are able to grow steadily in our faith. In my opinion, every single program is so nurturing to my soul and that is why I often tune in to FEBC."
