Voice of Egypt has a powerful ministry, aiming to create understanding and acceptance between those who might otherwise be in conflict.

Fri 16 – Pray for Basma, for wisdom in deciding which shows should continue in their current form and which should be adapted.

Sat 17 – Pray for the station to continue to be trusted and respected by many different elements in the community. Ask God to show His love very clearly through the team's work.

FEBA UK - Democratic Republic of Congo

Sun 18 – WEEKLY SUMMARY: A new radio station, Radio Umoja FM, was recently launched in Nibili, Democratic Republic of Congo (DRC). "Together we can", – the new radio station's slogan, was demonstrated when the team from Feba UK and partners Health Communications Resources (HCR), as well as local NGO, Esader, set up equipment and trained staff for the community radio station.

Mon 19 – Local member of the Kinshasa parliament, Albert Baliesima Kadukima said, "This is a project we have been dreaming about for many years." Pray that the station will reach many hearts for Christ.

Tue 20 – Please pray that Umoja FM will give the community a voice, and enable them to improve the health and wellbeing of the community, in order to

bring abundant life.

Wed 21 – In this forested area of the Congo, rich in minerals, diamonds, gold and oil, instability has resulted from years of demands by different groups. Ask the Lord to bring peace and stability through the FEBA radio station.

Thu 22 – The broadcasting team experienced some challenges during the setting up of the station, but God sent Philip Betts, a Fairtrade producer and a Christian, on their path. Thank the Lord for Philip, who arranged, with his maintenance crew, to help erect Umoja FM's antenna on the top of one of his warehouses.

Fri 23 – Anglican Archbishop of the DRC, Henri

Isingoma, spoke enthusiastically of Umoja FM. "Radio will develop our community here because it plays a big role, not only in providing information, but in raising awareness spiritually and in a material way."

Sat 24 – At the launch, the Chairman of Umoja FM's Board, local Catholic Abbot Roger, welcomed the station's arrival, sharing his hopes for its benefits to Nobili. FEBA UK – Burundi

Sun 25 – WEEKLY SUMMARY: In Burundi, a land with a population of 10 million people and among the poorest nations in the world, FEBA's partners "continue to stick our necks out" by broadcasting Christian ministry in areas where ethnic and political tensions reach into – and even emanate from – churches! In a country where radio stations have been closed or burned down, Great Lakes Outreach (GLO) is producing and broadcasting Abakunzi b'Amahoro, programs on forgiveness and non-violence through three FM stations that have remained open. They are seen as a neutral and trusted voice.

Mon 26 – The Abakunzi b'Amahoro programs are helping people to see their neighbours as fellow humans. Pray that many people will hear this message.

Tue 27 – Broadcasts are heard as a politically neutral voice speaking from an alternative position that insists on non-violence to reconcile political differences. Thank the Lord that this approach is becoming increasingly popular with listeners.

Wed 28 – GLO reports that throughout the conflicts people have contacted the stations, particularly after one program, broadcast multiple times, which was designed to teach discernment between true and false prophecies. Pray that the staff can assist listeners with clarity and wisdom.

Thu 29 – "I truly like the programs of Abakunzi b'Amahoro. I need your prayer. During this unrest, I was mistreated by a policeman. I am still bitter about that." Please pray for this listener and many others like him.

Fri 30 – Ask the Lord to bless the staff in Burundi who answer the letters of suffering listeners writing to the station.

OCTOBER

Sat 1 – The situation in the country remains precarious, with fears and challenges created by dissenting and opposing political viewpoints and ethnic rivalries. Pray for Burundi, and that empty churches will gradually fill again.

FEBC Myanmar

Sun 2 – WEEKLY SUMMARY: FEBC Myanmar began broadcasting in May 1973, in partnership with FEBC Philippines. Most programs produced locally in Myanmar are done by individual ethnic broadcasters. Fifty percent of the programmes aired are of a Christian nature, while the other half consist of general knowledge, health, and contemporary entertainment.

Mon 3 – In 2015 FEBC Myanmar celebrated its 20th anniversary of sharing the gospel with the Mon of Thailand and Myanmar. Pray for the broadcasters who have faithfully produced daily programs throughout this period.

Fri 7 – FEBC Myanmar concentrates on building closer relationships with every listener who contacts them. Pray for their work among non-believers, but also among Christian listeners, supporting their spiritual needs.

Sat 8 – Pray for the team in Myanmar, especially Yankee, their Director, who is currently very sick and is recovering after a big operation. Please pray for better health for him.

FEBC Mongolia

The station is considered a trusted voice in the community with about 200 000 listeners being reached through all 21 provincial radio stations, 24 hours daily. The latest addition to the radio family went on air in March 2016 in Sainshand City, hot on the heels of Nalaih city’s station, which was launched in September of 2015 and which ministers to over 10 000 families in the area.

Programs are produced in six languages: Urdu, Sindhi, Saraiki, Punjabi, Pashto and Balti. These shortwave programs are a safe haven for a country like Pakistan, where 96% of the community is Muslim. The ever growing intolerance, terrorism, persecution, poverty and low literacy rate are making shortwave radio a strong tool to bring about change in society.

Muslim listeners will respond to the gospel message. against Christians is a real concern.

Fri 28 – Our team in Pakistan needs prayer for their FM expansion project. Pray for the leadership team as they seek additional funding for local programming. This is a delicate situation in a country where 95-98% of the people are Muslims. Persecution

Sat 29 – Please pray for Pakistan's new National Director, Saleem Shahzad, who faces many difficulties in this challenging country. Bomb explosions, like the one in March 2016, regularly occurs and kills many Christians and Muslims alike.

FEBC Japan

Sun 30 – WEEKLY SUMMARY: While our Japanese team produces our broadcasts in Tokyo, programming is aired daily from our Korea station (1566 AM), since national Japanese networks do not air religious programming. For many people, FEBC readily is the only available "church" in Japan! We are the only Christian broadcasting company in all of Japan, that broadcasts the gospel to the entire nation of 127 million people, in a land where less than 1% of people believe in Jesus Christ.

Mon 31 – Pray for FEBC Japan's radio programs, which are aired 75 minutes a day from a high-powered 300 kW medium wave transmitter on the island of Jeju, close to South Korea.

Thank you for praying with us!
